 Infocentres

Mythical Kaunas Beast is inviting you to play: become a member of the Beast Community

Your mission is, by using your superpowers, to help Kaunas to turn from the temporary capital into a contemporary city. How do you gain superpowers? You will get them during “The Confluence” events and from the members of the Beast Community waiting for your there. The more superpowers you have — the better present you will get.

When can you play the game?

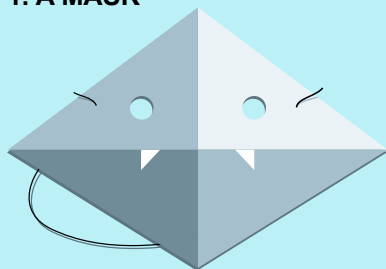

Only on “The Confluence” weekend, May 20-22. Don’t miss it!

Who can play the game?

EVERYBODY! Whether you are a child or a senior – the game is simple and fun – every visitor of “The Confluence” events can participate!

What do you need to do?

1. A MASK

Collect a mask of the Beast. This is proof that you belong to the Beast Community. What is the Beast Community? It is a mystical team of superheroes. They know about Kaunas Beast and each other. They do not necessarily live in Kaunas, but they come back here when needed. They come together to collectively make Kaunas a contemporary city.

The mask is waiting for you at the infocentres of “Santaka”:

- At the office of “Kaunas 2022”, Laisvės al. 36
20/05, 09:00-22:00
21/05, 10:00-22:00
22/05, 10:00-18:00
- Info tents: Town Hall Square:
20/05, 15:00-23:00
21/05, 9:30-23:00
22/05, 10:00-20:00
- At the entrance of the Kaunas Castle (in front of Vytis)
20/05, 13:00-23:00
21/05, 9:30-23:00
22/05, 9:30-18:00

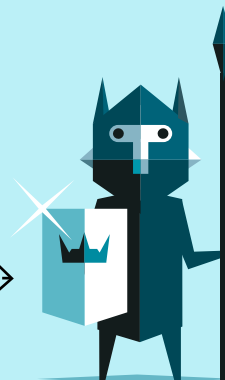

2. A MAP

Examine the map and the list of events. You will find them on the mask or on this page.

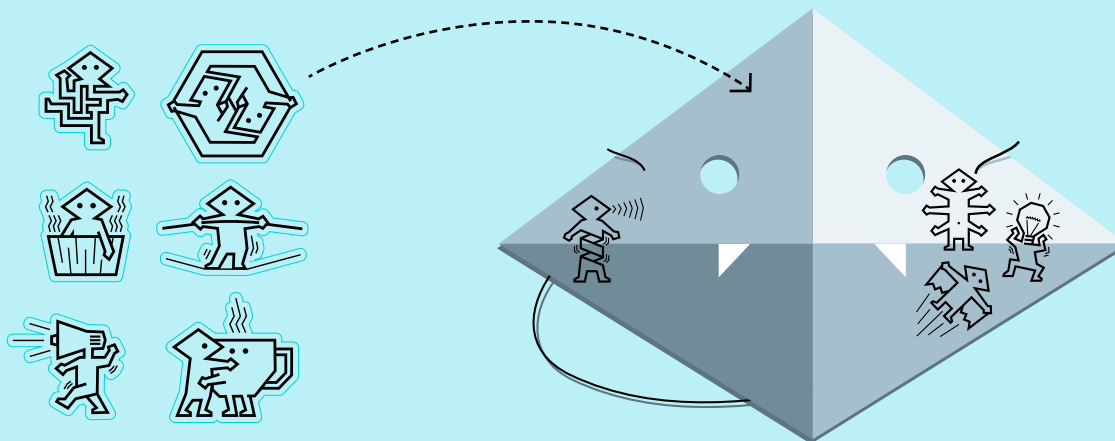

3. MEMBER OF THE BEAST COMMUNITY

Come to the events in time and look for a member of the Beast Community. ----->

4. A STICKER

A member of the Beast Community will present proof of superpower — a sticker. Stick it on the front of the mask in any way you like — there are no rules as how to do this. The main thing is that others, looking at your mask, see how much power you already have.

What are superpowers? They are the abilities that we develop when we are devoted to culture. You do not need to look for these powers far - they are waiting for you here: a vibrant rope acrobat teaches us to believe in ourselves, the neighbours that come together - to understand each other, and the horizon that opens from high above - to see the world anew. “The Confluence” events are full of these powers. All you need to do is to participate.

5. GIFTS

The more stickers you collect, the better gift awaits you.

- Gifts are given for stickers of 4, 7 and 9.
You have collected 4 stickers and picked up a gift? The game does not end there. Collect 7, and then all 9 stickers and get an even more fun gift. The Mythical Beast of Kaunas has prepared as many as 4,000 prizes for players! Hurry up and you will be among the lucky ones!

When and where can I pick up my gifts?

After collecting the required number of stickers, immediately run to the nearest "Confluence" infocentre.

- Gifts for 4 and 7 stickers can be picked up at the CONFLUENCE info tents and the office of "Kaunas 2022":

Enjoy playing? Join us at the Culture Dock at <https://kulturosdokas.lt/>. This is a similar game where instead of stickers you will use cards depicting artworks, and instead of a mask, a mobile app. The Cultural Dock will operate both during "The Confluence" and throughout the year. Here you will find the full programme of "Kaunas 2022". This is a playful expression of our gratitude to you for fostering culture. The number of gifts here is even larger, and the content is even more varied!
